On the one hand, the country's financial structure, which is the importance of banks compared to the capital markets in external funding, is probably an important factor in the political choice. But when one of the drivers dies in a crash during the very first race, they discover that what seemed like an uncharacteristic error in judgement may have a more sinister explanation Closer investigation reveals that the driver's car was sabotaged--and the driver murdered. It covers not only such street-food superstars as India, China, Thailand, and Mexico which admittedly deserve volumes of their own but also countries where street food plays a less

important role, such as those in Northern Europe. Vale a pena nos determosp. DirectedbyTimothyGreenfield-Sanders.Colorado, University of Colorado Press. Thanks for telling us about the problem.
